

## Canvas Float Frame Prints

Canvas Float Frame offer a unique and contemporary look to images and is perfect to give any room a touch of elegance. With a combination of premium cotton canvas, Obeche wooden stretcher, and a float frame creates a stunning finish, transforming images into a work of art.

The float frame options include Genuine Oak, Black, or White. With a 50mm depth and 10mm width, the float frame provides a 3mm space on all side, giving a floating effect that adds dimension and visual interest.
